

Millstreet National Eventing Discovery 2016

Saturday 27th August | Indoor Arena

Open to four and five year olds, the aim of the class is to showcase Irish bred and produced horses that have the temperament and ability to become commercial three day event horses.

The judges look for an athletic, loose moving horse with a promising jumping technique and attitude. With correct training and production, these horses should develop physically and mentally into a strong three day eventer.

The judges will select the top 8 four year old and five year old horses to go forward to the National Eventing Discovery Final on Sunday afternoon

The winner will be the highest overall marks from four sections: Flatwork; Jumping; Conformation; and Breeding.
