Germany's Golden Girl

The silver medal of Thursday's Children Nations Cup has already been won by the German team. The decision in the individual ranking added two more of them: Viktoria SCHMIDT won the gold medal succeeding in a thrilling jump-off between Italy, Spain and three German riders. Italian Milla Lou Jany POLIZZI gained the silver medal. Flemming RIPKE, fellow countryman of the winner, reached the bronze medal.

Cecilie Kjaer wins Children Farewell-Competition Poland prevents Danish double-victory

As only Children with eight penalties or less were permitted to participate in the individual finals in the afternoon, the Children not qualified had the chance to compete in a Farewell-Competition on Saturday morning. A jump-off determined who would have the honour of this competition.

21 riders did not put a single fence down and participated in this jump-off. A head-to-head race was on – only a few tenth made the decision. Cecilie KJAER from Denmark won with a time of 35,93 seconds. The second place went to Aleksandra KIERZNOWSKA from Poland, who crossed the finishing line within 36,31 seconds. She prevented a Danish double victory as Sisse Pendersen MYLIN went third, only 1,03 seconds behind.

Denmark once again!

Young Riders came after their fellow Children

The Young Riders' jump-off was contested between four riders who stayed clear in the course measuring 140 cm in height. The two Danish participants proved their talent once again: They were the only ones who were able to finish in less than 40 seconds. Lesje BRAMMINGE crossed the finishing line within 38,10 seconds, closely followed by her fellow countryman Christoffer Nerving MØLLEKÆR who went second within 39,66 seconds. The third place went to the Ukraine: Kostiantyn BOIARKO did not put a single fence down as well, but was not fast enough to prevent the Danish double victory (42,08 seconds).

Germany dominates Children Decision

Viktoria Schmidt is Europe's Children Gold Medalist

It has already been apparent: The competitions of Children were dominated by Germany. Today's individual decision made it evident once again.

37 Children from 17 nations were qualified to participate in the two final rounds measuring 130cm in height. Ten of them had a clean slate, but after the first round were only eight left. The race was on!

The second round led over a different course. Course designer Gérard Lachat (SUI) included a few new obstacles and even more technical passages. There were still five riders left who had not put a single fence down yet: Milla Lou Jany POLIZZI (ITA), Theo CHULIA LEDUC (ESP) and the three German riders Piet MENKE, Flemming RIPKE and Viktoria SCHMIDT. Another jump-off was necessary at Green Glens!

Milla Lou Jany POLIZZI opened the jump off with a clear and fast round within 33,05 seconds. Unfortunately, her Spanish rival put the last fence down. Three German riders were left and Piet MENKE finished clear, but crossed the finishing line a little bit later than the Italian in the lead. Viktoria SCHMIDT and her horse "Sir Douglas" did it – they were more than a second faster and crossed the finishing line within 31,89 seconds. Flemming RIPKE was the last rider to compete. Nerves of steel enabled him to finish clear within 33,74 seconds putting him on the third place.

All in all, Viktoria SCHMIDT (GER) won the Individual Gold medal with her horse "Sir Douglas", which had been owned by her since it was three years old. She is trained by her parents and competed with her horse from the small classes up to this year's championships. The silver medal was won by Milla Lou Jany POLIZZI and her horse "Qara Mai" from Italy. The bronze medal goes to Germany as well: Flemming RIPKE succeeded with "Giunco Della Loggia".

Emotions...!!
