

- The number of content creators at Millstreet CSI 2\* International Show will be limited
- Content creators must complete this form to be eligible to film and create content at Millstreet CSI 2\* International Content Creator Application
  - Applications must be submitted by Monday by Friday 7th August.
- Content creators must provide a list of riders when submitting their application that they intend to film during the show.
  - Content creators can only film riders submitted in their application.
  - If your application is successful, you will be issued with a relevant lanyard which must be worn at all times while working at the event.
- Any footage uploaded on social media by the content creator for clients should be
  - posted in collaboration with Millstreet\_greenglensarena on Instagram and Millstreet Horse Show on Facebook.
  - Content creators may be asked to create content for Millstreet Horse Show's use throughout the Show.
