Qualification for finals (Excluding DAFM & Ponies)

To qualify for the Final, each horse/rider combination must have competed in 2 relevant qualifiers during the week. Combinations must enter the Final at the highest grade in which they have competed (e.g. if a combination competes in both the 1.20m and 1.30m qualifiers, they must enter the 1.30m Final, not the 1.20m). For the Grand Prix, each horse/rider combination must have jumped a minimum height of 1.20m during the show week as part of their two qualifying classes in order to qualify.

**Retiring or Elimination from your round does not count towards qualification.*
